I think we have to get away from where people stand and get into the attitude of what can get done, says Jimmy Dunne of Sandler O'Neill, providing his thoughts on the markets and potential political leaders. Donald Trump should be the mayor of New York, not the president of the United States, says Dunne.
- **Is the Fed in a box? -** <http://video.cnbc.com/gallery/?video=3000496111&play=1>
Jimmy Dunne of Sandler O'Neill, shares his thoughts on the impact of the Fed's monetary easing policy. I don't think a 20 basis point 10-year is real and sustainable, says Dunne.
- **Dealmaker Jimmy Dunne: Replace Yellen as Fed chair -**
<http://www.cnbc.com/2016/02/23/dealmaker-jimmy-dunne-replace-yellen-as-fed-chair.html>
Janet Yellen should be replaced as Federal Reserve chair, says Jimmy Dunne, Senior Managing Principal and Co-Founder of Sandler O'Neill.
